Dear Sir:

Responsive to the Examiner's requirement in the Office Action dated December 12, 2006 in parent application that corrected drawings in compliance with 37 CFR 1.121(d) be submitted, Applicants propose the following:

Applicants propose amending "RAKE RECEIVER 1" in FIG. 1 to instead be "RAKE RECEIVER A", to facilitate consistency between FIG. 1 and the portion of the specification describing FIG. 1.

Applicants propose amending "RAKE FINGER 1" in FIG. 1 to instead be "RAKE FINGER A", to facilitate consistency between FIG. 1 and the portion of the specification describing FIG. 1.

Applicants propose amending "RAKE FINGER 2" in FIG. 1 to instead be "RAKE FINGER B", to facilitate consistency between FIG. 1 and the portion of the specification describing FIG. 1.

Applicants propose adding the reference sign "200" to FIG. 2 as requested by Examiner.

Applicants propose changing the direction of the arrow flow between the block elements 8 and 31 in FIG. 2, as requested by Examiner.

Applicants propose completely connection the line connection between the block elements 32 and 328 in FIG. 7, as requested by Examiner.

Approval is respectfully requested.

Applicants respectfully re-submit 10 sheets of drawings herewith. Applicants respectfully request approval.

Respectfully submitted,

/Ronald O. Neerings /
